Woman, 70, Dies While Taking Walk

Miss Elizabeth Sauer, Mrs. Lillian Thornton Had Been in Restaurant

Miss Elizabeth Louise Sauer, 70, of Eddyville died suddenly yesterday after she was taken ill while walking with a friend.

Dr. Arthur J. Friedman of Port Ewen pronounced the woman dead on her arrival at his office in the car of George VanAken of Eddyville, who rushed to her aid as he saw her taken with the sudden illness.

Coroner Ernest A. Kelly announced that death was due to coronary occlusion following the report of Dr. Friedman.

County Identification Officer Leonard Belmont, who was notified, said that when he arrived he discovered that the woman was one of his neighbors in the village.

Miss Sauer and a friend, Mrs. Lillian Thornton of New Salem had visited a restaurant for sandwiches, he said, and were walking on the road near the Eddyville bridge when Miss Sauer suddenly became ill. She was placed in the VanAken car where she apparently died enroute to the doctors' office.

Born in Eddyville, Miss Sauer was the daughter of the late John and Katherine Balliet Sauer. A sister, Katherine died two years ago and no other relatives survive.

The funeral will be held from the Jones & Deegan Funeral Home, 15 Downs street Thursday at 2 p. m. Burial will be in the family plot in the St. Remy Cemetery.

Their Stand Is Backed

London, Dec. 10 (AP)—Fifteen British stage and screen personalities, among them Vivien Leigh and Sir Laurence Olivier, offered congratulations today to American movie men who refused to testify before the House Committee on Un-American Activities investigating "Communism in Hollywood." The message was sent in a letter to William Wyler, Hollywood executive and chairman of the Committee for the First Amendment. The signatories, including Sir Alexander Korda, Michael Redgrave, and Robert Donat, said "we find ourselves completely at a loss to understand why so many of our fellow artists, technicians and screenwriters have been subjected to an inquisition."

Treasury Receipts

Washington, Dec. 10 (AP)—The position of the treasury December 8: Receipts \$163,939,209.77; Expenditures \$189,912,821.82; Balance \$3,069,986,149.08. Customs receipts for month \$11,157,075.12; Receipts fiscal year July 1, \$15,045,073,804.16. Total debt \$257,737,882,032.26. Decrease under previous day \$277,553,094.34. Kelly Says Heart Attack Cause of Death of Veteran; Ill About Month

Fred L. Taylor, 37, of Windham, veteran of World War 2, and secretary-treasurer of the Colonial Purchasing Co., 36 North Front street, and a former employee of the Personal Finance Co., on Wall street, succumbed to a heart attack at 66 Prospect street about 5:28 p. m., Tuesday.

Coroner Ernest A. Kelly was summoned last evening and gave a verdict of death due to natural causes. He issued a certificate of death due to coronary thrombosis. Dr. Chester B. Van Gaasbeek, local police physician, also was called to the scene.

Found by Roomer
The police reported today that Mr. Taylor was found at the rooming house on Prospect street by Jerry Lavelle, another roomer who immediately called the police. The rooming house is operated by Mrs. Carrie Wirth.

The Freeman learned today that the dead man had been complaining about a month of "terrible indigestion." Delno Ellis, president of the Colonial Purchasing Co., told a reporter that he first knew of his associate's illness about a month ago after the latter had returned from a trip to New York.

Taylor, Mr. Ellis revealed, didn't report for work on Monday after spending a sleepless night on Sunday. Taylor was reported to have visited a Dr. Mulberry of Windham and had a cardigram taken to learn of his positive illness.

Report Was Serious
Mr. Taylor, it was learned, returned to Kingston Monday night and spent another sleepless night at the rooming house. He reported for work about 11:45 a. m. Tuesday and after doing some odd jobs around the office left for his room again saying that he felt bad. He left the office about 1:30 p. m. and went home, presumably to bed, Mr. Ellis told The Freeman.

The cardigram taken by Dr. Mulberry was completed Tuesday evening when Mr. Ellis went to Windham to notify Taylor's mother.

Murray Disallows Award of \$9,750 To H. C. Anderson

Supreme Court Justice Says Sum Excessive for Property at Accord

An award of \$9,750 made by members of Consolidated Rondout Riparian Section Nos. 3, 4, 5 and 6, Ulster County Commission to Howard C. Anderson for damages to parcels No. 309 and 312 at Accord has been rejected by Supreme Court Justice William H. Murray on the grounds the award was excessive.

All other awards made in the fourth report of the commission are approved. The commission made its report on September 27 and a copy of the report was filed with the county clerk on September 30, last.

Justice Murray had made an order confirming all of the other awards which were included in the report of Commissioners of Appraisal, Walter H. Wertine, Jr., Harry M. Prince and William B. Martin. The order directs that the Anderson award be rejected on the grounds it is excessive and that the claim be reheard before a new commission which will succeed to the jurisdiction of the old commission.

Rondout Riparian Commission, Section Nos. 3, 4, 5 and 6, Ulster county, heard claims for damages along the Rondout creek from the Vermyer Creek to Eddyville Dam in the towns of Rochester, Wawarsing, Marlborough, Rosendale, Ulster and Esopus. These damage claims arose out of the construction of the Merriam Dam by the city of New York at Lackawack on the upper Rondout creek where the city is constructing a reservoir.

The Anderson award was for \$9,750 with an allowance of \$497.50 for counsel fees and an allowance of \$354.72 for witness fees. N. LeVan Haver appeared for the claimant.

Justice Murray's order rejects the award and directs that a new hearing in the matter be held before a new commission.

The order has been filed in the county clerk's office.

County Cost Is Up 25 Per Cent Total

Increase in Items Is Topped by Welfare Outlay; Supervisors Are Told

Blow Is Softened

Addition of 4 Million in Assessments to Be Big Help

Ulster county residents may expect an annual net budget close to the million dollar mark for 1947, an increase of at least 25 per cent over the 1946 budget. This figure is indicated by the appropriations which have already been voted by the board in annual session.

The Committee on Appropriations will make its annual report to the board this evening when the board convenes and it is expected that the budget for 1947 will be from 25 per cent to 30 per cent more than last year's budget which was \$1,023,615.13 less refunds and charge backs in the amount of \$202,778.47, leaving the net budget \$820,836.66.

Should the 1947 budget be increased by at least 25 per cent, as is indicated by appropriations thus far voted, it will mean the net budget this year will be around the million dollar mark. Increased cost of government, particularly in welfare work has increased to a very great extent during the past year when food prices jumped materially and other commodities, including wages, have advanced in the upward spiral of living costs.

Against the increased budget, and which will tend to soften the tax blow somewhat, is the addition of \$4,000,000 in assessed valuations this year.

Various Items
Among the numerous items which have been increased considerably this year over the item in the 1946 budget in addition to salaries are the following: picked at random from the appropriations already authorized by the board: Employment Retirement System in 1946 was \$23,139.96 and for 1947 it will be \$32,566.24. Court and stenographers expenses, last year \$9,424.31 for 1947 the item is \$12,450.27. County Auditors Fund in 1946 was \$40,000 and for 1947 there has been voted \$47,500. Court and Jury Fund is up \$9,000. Post War Construction Fund is up \$10,000. County health expenses, maintenance of the Tularia Hospital and all items of welfare work have advanced upward very sharply.

French Strikes End After Month of Strife Which Brought New Trouble With Russia

Paris, Dec. 10 (AP)—France's Communist-hatched strikes ended today after a month of labor strife which brought the nation to the brink of anarchy and contributed to a new rift with Russia.

The Communist-led General Confederation of Labor (C.G.T.) accepted government terms last night for settling the work stoppages and ordered strikers back to the job. At their peak, the strikes made idle between 2,000,000 and 3,000,000 workers in such key industries as coal mining and railroading.

Strong back-to-work movements in many fields whittled the total in the last two weeks, but labor leaders estimated 1,500,000 remained on strike at the end.

These leaders said all 1,500,000 had returned or were returning to work today. There were no official figures on the number involved.

Later Coykendall announced that Gen. Eisenhower will assume the presidency of the university next June 7.

Longendyke Sent To Jail as Parole Violator by Cashin

Albany Avenue Resident Charged With Not Supporting Family, Drinking

John Longendyke, 40, of 567 Albany avenue, found it does not pay to violate probation after being given a chance by County Judge John M. Cashin to make good.

This morning after a hearing before Judge Cashin, on a charge of probation violation, Longendyke had the probation revoked and the original sentence of six months in the county jail was put into effect. The defendant was turned over to Sheriff Smith to begin service of the jail sentence which had been suspended when Longendyke was placed on probation on November 18, 1946.

At the hearing Longendyke was represented by Elmer H. Nathan, who had been the counsel assigned when the defendant originally appeared in court to answer to a burglary, third degree, and unlawful entry charge and a six months jail sentence was imposed and later suspended and he was directed to report to Chief Probation Officer Edmund U. Burhans.

Recently Longendyke was found to be violating his probation in that he was drinking heavily and failing to work and provide for his family as directed at the time of probation. He was picked up for probation violation and given a hearing this morning. The original charge grew out of an entrance to Morgan's Restaurant last year.

In sentencing Longendyke to serve the jail term, County Judge Cashin pointed out that where a defendant was given a chance to make good and placed on probation, failure to live up to the terms of probation must end in serving the time to which the defendant was originally sentenced.

His Remedy Works

Great Falls, Mont., Dec. 10 (AP)—Three shots from an automatic pistol outside a tavern were fired, Stanley J. Take, 21, told a Justice Court yesterday, not to disturb the peace but to cure his wife of the hiccups. The remedy worked, he said. Take's trial was continued until today.

Cunningham Warns Of 'Severe Measures'

Jerusalem, Dec. 10 (AP)—High Commissioner Sir Alan G. Cunningham warned today that the British would take severe measures against both Arabs and Jews of Palestine unless they halted the communal strife which has cost 127 lives in 11 days.

Six Jews were killed today in the latest outburst of Arab anger against the United Nations' decision to divide the Holy Land into Arab and Jewish states. The attack took place on the Jewish settlement of Gevulot near Gaza, on the southern coast. Police drove off the attackers with gunfire.

Wallace Says U. S. Policy Must Alter

'Third Party' Will Run for President Otherwise, He Declares

Ithaca, N. Y., Dec. 10 (AP)—Henry A. Wallace said today that "unless there is a change" in America's foreign policy "there will be a third party" in the Presidential race next year.

Asked at a news conference whether he would head a third party, the former Democratic vice president declared that he would.

Evans and Truman Arrive In Jersey After Long Flight

Teterboro, N. J., Dec. 10 (AP)—Cliff Evans and George Truman landed their two pint-sized, 100-horsepower flivver planes at Teterboro Airport at 10:10 a. m. today, ending a leisurely 25,000-mile globe-circling flight unique in the history of aviation.

The two former army pilots came in as casually as they departed from this suburban commercial airport on August 9. They had flown around the earth in 123 days to show that it could be done in little fabric-covered aircraft with a cruising speed of 105 miles per hour.

Stormy Weather Keeps Rescue Party From Scene

Westover Field, Mass., Dec. 10 (AP)—A four-engine A.T.C. transport plane—unofficially reported to be carrying 34 or 35 persons—crashed in flaming wreckage with "no known survivors" just before midnight in snowy wilderness eight miles north of the Goose Bay Airfield, Labrador.

Stormy weather hampered rescuers who set out at dawn today by ground and air after a Ninth Airforce reconnaissance plane sighted "scattered, burning wreckage."

Air Transport Commander Headquarters here said it did not know just how many persons were aboard, but a Canadian press dispatch from St. John's, Nfld., said it was learned reliably the plane was carrying 25 passengers and the crew, which is normally five men and sometimes six.

The big plane—similar to the DC-4 flown by commercial airlines—is capable of carrying 40 passengers.

Ground rescue crews set out at daybreak today but faced rough going over the rugged countryside near the trading post of Northwest River.

First reports indicated there was "signs of survivors" but this was later amended to:

"No known survivors."

Goose Bay radioed Army Transport Command Headquarters here: "Weather presently preventing observation of wreckage of ground parties and of wreckage."

The report added, however: "Ninth Airforce reconnaissance disclosed scattered, burning wreckage, 8 1/2 miles from the field."

Ground parties had not reached this wreckage at the last report received here at 9:30 a. m. (E.S.T.).

To Send Helicopter
Preparations were made to fly a helicopter to the crash scene.

The area where the big transport crashed is heavily forested. "Weather" personnel command officers believed the plane was of Newfoundland based under the Atlantic Air Transport Division Command and that it probably was out of Harmon Field, near St. John's, Nfld., or Fort Pepperell, Nfld.

The army said the plane crashed five minutes after it took off from the Goose Bay base at 11:55 p. m. (E.S.T.). Officials reported there was no indication whether the ship took fire.

The plane was headed for Westover Field when it went down in freezing temperature. The army reported there was heavy snow in the area but it was not snowing when the craft plunged.

A C-52 was obtained at Patterson Field, Dayton, Ohio, to transport the helicopter from Westover to Goose Bay. It left Dayton at 7 a. m. (E.S.T.) and was due at 10:30 a. m.

The A.T.C. has its own search and rescue unit at Goose Bay, Westover officials said. It is equipped with dog teams and other material required for rugged country searches.

The army reported that it escorted the two pilots on the final lap from Harrisburg, Pa., today.

Evans came in first, touching the runway a few seconds ahead of Truman.

Pact to Hold Down H.C.L. Is Provided

Also Would Expand Export Rules; Boost Gold Reserves; Hold Transport Needs

Program Attacked

Democrats Accuse GOP of Rubber Stamp Tactics

Washington, Dec. 10 (AP)—Republican congressional leaders agreed today on a four-point anti-inflation program for enactment during the present session of Congress.

Senator Taft of Ohio, chairman of the Senate Republican steering committee, and House Republican Leader Hallett of Indiana, announced the program provides for:

1. Voluntary industry-wide agreements to hold living costs in line. Anti-trust laws would be set aside temporarily for such agreements and the administration would be given money to promote such a program.

2. Continuation and expansion of export controls.

3. Increase, from the present 25 per cent to 40 per cent the gold reserves required behind currency issues by Federal Reserve Banks; and increase from 25 to 35 per cent the gold reserves that Federal Reserve Banks must carry to support the deposits of commercial banks.

4. Controls over vital transportation facilities, such as boxcars.

The Republicans drafted their program as a reply to President Truman's request for broad powers to resume rationing and price controls if the administration should decide they are necessary.

A draft of a bill covering most of the President's request was presented by Secretary of Commerce Harold G. Ickes yesterday to a Senate judiciary subcommittee, but Republicans have made clear that measure will get nowhere.

Democrats Hit Plan
Even before the Republican program was officially announced, it had come under attack from Democrats. Rep. Gore (D-Tenn.) accused the G.O.P. of "rubber stamping" for "big business" by proposing voluntary industry-wide agreements.

Taft said a single bill embodying all four points of the Republican program will be introduced in the House immediately by Chairman Wolcott (R-Mich.) of the Banking Committee.

Wolcott told reporters he plans to hold hearings on the bill tomorrow and said they should not last more than one day.

Taft and Hallett announced the plan following a meeting of Senate and House G.O.P. leaders in the office of Speaker Martin. They said they hope that the single bill can be enacted in time to permit Congress to adjourn on December 15.

About the time this meeting was breaking up on the House side of the Capitol, the Senate Banking Committee approved one point of the President's anti-inflation program—legislation to restore limited consumer credit controls through March 15, 1948.

Vote Is 9 to 4
Chairman Tobey (R-N.H.) told reporters the vote was 9 to 4.

The senator said three Republicans—Tobey and Senators Buck (R-Del.) and Flanders (R-Vt.) joined the six Democrats on the committee in casting ballots for the bill.

Four Republicans voted against it.

The bill approved by the committee simply authorizes the Federal Reserve Board to restore controls on installment buying.

State Barge Canal Closes For Winter Period Today

Albany, N. Y., Dec. 10 (AP)—Two barges and three tugs will clear the State Barge Canal at nearby Waterford terminal late today, the last vessels to pass through the

waterway before the winter closing.

The five craft, owned by the Conners Marine Company, New York city, left Lock 11 near Amsterdam early today.

One barge carried 600 tons of wheat for the port of Albany. The second, loaded with 2,300 tons of molasses, will continue down the Hudson river to New York city. The barges, which left Buffalo about a week ago, were permitted to move only in daylight because buoys have been removed along the route.

Official closing date of the canal was December 1 but some vessels were permitted to enter after that date.

COMMUNIST AGITATION
State Legislators and legal minds in the national Congress are trying to shape up new laws for dealing with Communists and Communism.

It is certain that our statutes could be improved to meet this special situation, which is going to be with us for a long time. But we need not wait on the new laws. We should now be invoking those already on the books.

The President and his Attorney General have made it clear that they are not going to turn on their Communist electoral support except when pressured in a specific case; but every district attorney should be presenting Communist cases to grand juries as early as 1919. The United States Supreme Court upheld a lower court decision in which two men were convicted as criminals for agitating to commit acts of Communism. It was the case of Gifford and Larkin vs. New York State. Both men were sentenced to four-year terms in the penitentiary. Gifford later turned anti-Communist.

Can't Get Away With It.
In pronouncing sentence, Chief Magistrate McAdoo of New York city emphasized the criminal nature of Communism:

"While money from the banks and other depositories will flow into the coffers of the leaders of the revolutionary Communists, the blood of the doomed class will flow in the gutters."

"Can these men openly state that they intend to destroy the state, murder some classes of citizens, rob them of their property, and then escape under the plea of liberty of speech? All these acts stem either from honest fanaticism, gross egotism, venomous class hatred or criminal ambition."

I am quoting this case from a new book, "Behind the Red Mask" by Gregory Bern, who was a White Russian officer during the Bolshevik revolution in Russia and learned his Communism the hard way. He is now a U. S. citizen. Bern's book is packed full of current and historical high lights of the Marxist world campaign, but it is especially interesting in its analysis of the criminal psy-

chology of Communism and the trickery of the Communist attack.

Unlike other current books on war, Communism and politics, "Behind the Red Mask" is a slick paper job, carrying a score or more of pictures from historic scenes all over the world. You can't miss Bern's points.

Any court which follows the precedent of Chief Magistrate McAdoo in the above cited case, will today face the possibility of a reversal in the United States Supreme Court, because that body is not what it was in 1919. Its decisions on Communism have contradicted each other but for the most part have favored Communists.

Job for the D.A.s
Regardless of the Supreme Court, it is time for a new test of every statute applicable to Communist activities. It is criminal to agitate to destroy the state and the American people in the year 1919; it ought to be no less criminal today.

What makes that 1919 case significant is the word agitate. Murder and robbery are crimes and readily punishable, but to agitate to get somebody to aid the Communist revolution is quite another matter.

Under this decision, every man or woman who has induced anybody to join the Communist party or to spread Communist literature is guilty of a crime and subject to fine and imprisonment as a criminal. That would include nearly every old time member of the Communist party, now about 80,000 strong.

Likewise, any agent who willfully and knowingly has slipped a Communist plug or scene into a motion picture film is entitled to a bed in the same jail.

This could become a dangerous precedent in the hands of a court as unprincipled as some in recent New Deal history; for by interpretation of what constitutes Communism or Communist revolutionary propaganda loyal citizens might be trapped. New Deal courts have been used to persecute loyal Americans who opposed Communism and the New Deal.

But courts are established for the purpose of determining guilt and the degree of guilt, and it is time they began to help clean up the vicious, consciously criminal agents of the Red revolution. (Copyright 1947 by John F. Dille Co.)

Survey Reveals Older Workers Are More Loyal Group

New York, Dec. 10 (AP)—American industry rates its elderly workers—65 or older—as more loyal, absent less and as productive as their juniors, according to a survey made by the New York state joint legislative committee on problems of the aging.

State Senator Thomas C. Desmond of Newburgh, who heads the committee, said yesterday the study indicated that "World War II taught industry that older workers are good investments, not

just convenient pinch-hitters in times of crisis."

Committee investigators began their survey two months ago, Desmond said, and after questioning some 1,000 employees reached the conclusion that old employees represented a company asset rather than a liability.

The committee reported that three out of four employers queried said older workers produced as much as younger ones; 37 per cent thought them more loyal and conscientious and 80 per cent believed them as much so as younger workers; and 72 per cent reported less absenteeism among elderly employees.

The committee will begin a public hearing tomorrow on medical, social and economic problems of the aging population.

C.I.O. Unions Ask Truman Get Rid Of Robert Denham

Buffalo, N. Y., Dec. 10 (AP)—C.I.O. unions in this area, indicating solid support of the United Electrical Workers in their dispute with Remington Rand, Inc., have asked President Truman to oust Robert N. Denham as general counsel of the National Labor Relations Board.

Six C.I.O. leaders sent the following telegram yesterday to the President:

"C.I.O. unions representing 197,000 workers in this area unanimously request you to remove Robert Denham as N.L.R.B. general counsel for his improper and provocative statements, advising the notoriously anti-labor Remington Rand Corporation it would 'act at its own peril' in continuing to negotiate with the duly chosen certified bargaining agent of its employees."

Remington Rand announced Sunday it would no longer recognize the C.I.O.-U.E.W., whose officers have refused to file non-Communist affidavits.

The union has been the recognized bargaining agent for about 9,000 workers at seven plants in nearby Tonawanda, Ilion, Herkimer and Syracuse and Benton Harbor, Mich.

William E. Shorton, company vice president in charge of Industrial Relations, said the move was based on the N.L.R.B.'s recent ruling that the union was ineligible for certification as agent because it had failed to comply with certain provisions of the Taft-Hartley law.

Denham had said that if Remington Rand continued to deal with the union or made a contract with it after the N.L.R.B.'s decision, the firm would be acting "at its own peril."

Nelson Has Resigned

Hollywood, Dec. 10 (AP)—The Society of Independent Motion Picture Producers will need a successor to its president, Donald M. Nelson, after next January 31. His resignation, effective that date, was announced yesterday. Nelson, former war production board chairman, has been in the \$50,000-a-year movie job since 1945. He explained he is resigning to devote his time to other business.

**Police Will Be Guests
At Kiwanis Luncheon**

Members of the local police department and police commissioners will be guests of the Kingston Kiwanis Club at its regular luncheon meeting in the Governor Clinton Hotel Thursday, G. Herbert De Kay, president of the club, announced today.

They will hear an address by Major Thomas J. Hanlon, superintendent of the institution for Defective Male Delinquents at Nanuet, who will talk on "Crime Prevention."
Clarence S. Rowland, head of the Boys and Girls committee will announce complete details for the annual Christmas party for underprivileged children.

MODENA

Modena, Dec. 8—The Woman's Society of Christian Service of the Modena Methodist Church met Thursday afternoon at the Methodist parsonage and held their annual election of officers: Mrs. William Decker and Mrs. Earl De Witt were reelected as president and vice-president respectively; Mrs. Floyd Wells as secretary and Mrs. Lillian Courter as treasurer. Mrs. William Cosman was reappointed in charge of missionary work; Mrs. Hallock Harris, literature, and Mrs. Herbert Winters, flower fund. The next meeting will be held Thursday, January 9, commencing at 10:30 at the home of Mrs. Lillian Courter. An all-day meeting is planned when members will prepare material for woven rugs. Box lunch at noon.

Over 70 people attended the card and game party held Saturday evening in the Brookbrook Memorial Hall, sponsored by the Public Health Nursing Committee of the Town of Platekill.

Group pictures of the dancing class of Mrs. Tommy Coy were taken recently. In the group are Sharon Van Gonsic, Genevieve Smith, Nancy Murkey, Nancy Lorenson, Gail Grimm, Marylou DuBois, Patricia Molsen, Anne Miller.

The Christmas meeting of the Missionary Society of the Newburgh Reformed Church will be held Thursday, December 11, at the parsonage. Mrs. Burton Ward will present the program of entertainment. Mrs. Charles Jenkins and Mrs. William Miller will have a sale of miscellaneous articles, proceeds from which the sewing fund will be benefited.

The annual Christmas entertainment, presented by the students of the Modena school, will be held Thursday evening, December 18 in the auditorium of the school. Teachers Mrs. William Van Vleet and Mrs. Melissa Boice will be in charge. The school will close Friday noon, December 19, for the Christmas vacation.

The names of Mrs. Henry Black and Merrill Small, Sr., were unintentionally omitted from the entertainment committee at the recent church fair, held in the community hall. The president of the W.S.C.S. extended extra thanks to them for their assistance in making the entertainment successful.

Mrs. Edwin Jayne and son, Billy, of Highland were recent callers on Mrs. William Adams. Mr. and Mrs. LaVerne Powell were among relatives entertained by Mr. and Mrs. Edward Powell at New Hurley on Thursday last.

Mr. and Mrs. Solie Bernard, Sharon Lee and Donald, Bernard of Poughkeepsie, were visitors of Mr. and Mrs. Preston Paltridge and daughter, Phyllis, on Sunday.

Mr. and Mrs. Joseph E. Hasbrouck were recent guests of relatives in New Paltz.

Mrs. Lillian Courter has returned from a visit with Mr. and Mrs. Borden Nonell at Doileville.

Members of the W.S.C.S. of the Modena Methodist Church will hold their annual Christmas party on Thursday, December 18, at the home of Mrs. Floyd Wells. Gifts will be exchanged.

Mrs. Deits and daughter of Brooklyn accompanied friends to this section recently.

The snowfall of Friday provided the young folks with their first coating material of the season. The icy condition of the highways afforded motorists with less amusement.

Mr. and Mrs. Elmore Smith and son, Robert, of Kingston were supper guests of Mr. and Mrs. Lester Wager and family on Sunday.

Mrs. Bessie Gerow of New Paltz visited relatives here on Sunday.

**Civil Service Has
Job Opportunities
For Qualified Vets**

Qualified veterans will find job opportunities in various state departments under Civil Service, the Ulster County Veterans' Service Agency announced today.

Howard Shurter, director of the agency and State Veterans Counselors Donald Moore and Morgan Ryan stressed the point that there is considerable range in the opportunities.

They include business administration, education and recreation, medicine, nursing, laboratory, social service, publicity and public relations, motor vehicle, engineer-

ing, architecture, inspection and construction, labor relations and industrial investigation.

Veterans interested, the agency said, are asked to contact the office at 240 Fair street for information. Examinations will be held in January.

December 19 is the deadline for securing applications and December 22 is the final day for filing.

Santa Claus Promises Judge to Stay Sober

Detroit, Dec. 10 (AP)—Santa Claus, who appeared before Re-

corder's Judge Joseph J. Gillis under the name of William Gallagher, was free of a drunkenness charge today—but only because he promised to be a good boy until Christmas.

Police who arrested the 69-year-old Gallagher early yesterday told Judge Gillis they found him trying to climb down a non-existent chimney on Michigan avenue.

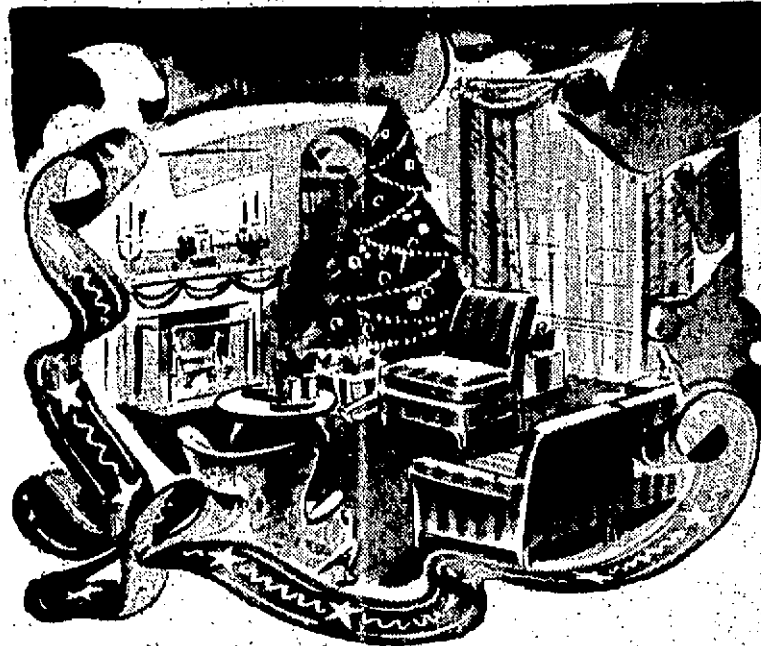

Santa Claus in a hardware store, explained Santa-Gallagher, still wearing his red suit when brought before the jurist.

"You seem to have been quite full of other spirits last night," retorted Gillis. "But I know this is your busy season. I'll suspend sentence if you won't tangle with any other spirits."

Santa agreed.

Would Look Into Finances
St. Paul, Minn., Dec. 10 (AP)—Senator Aiken (R-Vt.) said in a talk here last night Congress should require the National Tax

Equality Association "and other power seeking class organizations" to report on their finances and pay taxes on what he called their "enormous incomes." Addressing the annual stockholders meeting of the Farmers Union Grain Terminal Association, Aiken declared national food production would be "seriously impaired if those groups which constantly wage war on American farmers are not curbed."

Here's One Little Girl Who Knows There IS a Santa Claus

You can't tell little Rosaria Nuccio of New York that there isn't any Santa Claus. She has seen him—in fact, she has seen 20 Santa Clauses. Yuletide workers for the Volunteers of America, they tend sidewalk "chimneys" in midtown New York, collecting contributions for the needy.

ULSTER PARK

Ulster Park, Dec. 9—Mr. and Mrs. William Robinson and daughter of Albany spent last week-end with her parents, Mr. and Mrs. B. R. Williams.

The consistory of the Reformed Church and the members of the choir and their families will be entertained at a venison dinner by the Rev. and Mrs. H. E. Christians on Thursday evening.

The next meeting of Ulster Grange will be the Christmas session held on December 17. All members and their families are invited. Each one attending is asked to bring a 10-cent present for the tree. The juvenile grange will put on the entertainment and there will be carol singing and refreshments. The fair held last week was a financial success.

Mr. and Mrs. R. C. Gendreau have announced the birth of a daughter, Margaret Edith, on De-

cember 5 at the Kingston Hospital.

Mr. and Mrs. H. A. Crispell and son, Harold, of Newburgh, spent Sunday with the Story-Gendreau family.

H. V. Story is spending the week at Oswego, attending the annual session of New York State Grange.

Mrs. C. Chester DuMond of Albany visited her son and family last week.

'Rape' Verdict Given

Tallahassee, Fla., Dec. 10 (AP)—A victim of rape "is not called on to look up a doctor and submit to an examination" to prove her accusations, the Florida Supreme Court ruled yesterday. In a 4-3 decision, it affirmed the life sentence of Howard B. McKee for raping a woman in Dade county last year. McKee's attorneys contended evidence was insufficient to warrant the conviction and complained that the alleged victim had refused to submit to a medical examination.

Union Cooperative
Would Buy Food
For Its Members

The first union food cooperative in Kingston was authorized Monday night at a meeting of the Kingston Metal Trades Council. Action by the council directed the business agent, George E. Yerry, Jr., to "take such steps as are required to purchase such items at wholesale and to make them available to members of unions affiliated with this council of the American Federation of Labor."

Announcement of the action appeared in today's issue of the Hudson Valley Labor News, which also announced that officers of the council had been re-elected, and one trustee was elected for the first time. The slate of officers is: DeWitt Quick, president; Joseph Ahl, vice-president; Walter Henry, treasurer; Casper Souers, financial

secretary; George E. Yerry, Jr., business agent. Quick, Henry and Yerry were elected for their sixth consecutive terms.

The council operates under an A.F.L. charter granted September 15, 1942.

Cheer Group's Work
Goes on All Year

The work of the Kingston Community Christmas Cheer Committee is not limited to Christmas time. Robert Rhinehart, the mayor's secretary, said today, but continues throughout the year. Shoes are provided during the year for certain underprivileged children, he said, by the committee.

Contributions are now being accepted by the committee's treasurer, Mrs. George D. Logan, 68 Garden street.

Five Fliers Escape

Austin, Tex., Dec. 10 (AP)—Five airmen parachuted from a burning U. S. Air Force plane near here late yesterday and escaped with minor injuries. The C52 cargo plane, en route from Bergstrom Air Field to its home base at Greenville, S. C., caught fire shortly after taking off at 5:15 p. m. (CST). It crashed in flames on a farm.

YES MAN"I'm SOLD on YOU"
SAYS Personal's YES MAN

When I say that I'm sold on local people my statement is based on knowledge — on the hundreds of loans I've made to them during the past 12 months, many on salary alone, others on car or furniture.

I know that folks in this community are reliable and use common sense in managing their affairs. That's why I can say "Yes" to 4 out of 5 who ask me for a loan—often times making loans that others won't.

Don't borrow unnecessarily, but if increased living expenses are making things difficult, a loan may be the sensible solution to your problem. If it is, telephone or come in today.

Four Officers Die At Pine Camp as Barracks Burns

Six Others Are Injured, One Critically; Eight Leap to Safety Early Today

Pine Camp, N. Y., Dec. 10 (AP)—Four U. S. Army officers assigned to "Exercise Snowdrop" were burned to death early today in a fire which quickly destroyed a two-story frame barracks at this northern New York military reservation.

The death toll rose from three to four with recovery of the body of an officer who had been reported missing.

Lt. Robert Banker, public relations officer, said six other officers were burned, one critically, and eight others leaped to safety from the flaming structure. He estimated 19 officers were housed in the building.

Banker reported the dead were officers of "company grade," but advised identification would be withheld pending notification of next of kin.

The bodies of the dead officers were burned beyond recognition. The officers who escaped leaped from first and second story windows of the barracks.

Origin of the fire was not determined immediately. The army's winter airborne maneuvers, "Exercise Snowdrop," began here November 1. Participating in the four-month training session are men and officers of the famed 82nd Airborne Division, Ninth Airforce troops and Troop Carrier Command personnel, all comprising the 805th Airborne Combat Battalion.

Quake Is Reported
Tokyo, Dec. 10 (AP)—A slight earthquake was reported today in the Wakayama area, east of Osaka, a few hours after seismology Professor Sassa of Kyoto University had warned of a possible quake there. Wakayama was hard hit in last December's disastrous earthquake and tidal wave.

Will Use Banks More
Syracuse, N. Y., Dec. 10 (AP)—Indications are that New York state farmers will be using more bank credit in the future despite present low mortgage debts and large liquid assets, says a representative of the New York State College of Agriculture at Cornell University.

Two Youngsters Begin Sentences for Slaying

Detroit, Dec. 10 (AP)—Two youths who pleaded guilty to the robbery slaying of the father of one of them today began 15 to 30 year prison sentences yesterday.

Seventeen-year-old Edward Small, son of the slain tavern owner John C. Small, and his young pal William Hungerford, 16, were charged with second degree murder.

A nationwide search for the pair ended some time after Small's beaten and machete-stabbed body was taken from the Rouge river here.

Kurtz Re-elected Head of Directors

Arthur W. Kurtz of New Paltz was re-elected president of the board of directors of the Ulster County Farm Bureau at a meeting Monday night.

The directors also elected William Goy of Clintondale, vice president and Elmer Fisher of Highland, secretary. Two new directors recently for three year terms, Townsend Velle of Marlborough and Frank Aldrich of Lake Katrine, attended the meeting.

The role of the Farm Bureau in stressing the need for conserving food was discussed at the session.

Certificates Filed

A certificate of incorporation has been filed in the county clerk's office by Decker and Samuels, Inc., of Kerkonkson. The corporation which starts business with a capital of \$20,000 consisting of 200 shares of \$100 par value common stock, is formed to a general automobile sales business, operate gas stations and carry on necessary business pertaining to same. Under the corporation papers the corporation may have three directors and the principal place of business is Kerkonkson. Directors named to serve until the first annual election are Stanley A. Decker, Emanuel Samuels and Harold B. Rich, all of Kerkonkson.

Stone Ridge Youth Fined \$25 on Speeding Charge

Charles Wells, 22, of Stone Ridge was fined \$25 when arraigned before Justice of the Peace Percy Bush, Town of Ulster Tuesday night on a charge of speeding.

Sheriff George C. Smith and Special Investigator Vredenburg, who arrested Wells, reported that he was driving three in the front seat, and admitted that he was traveling at 75 miles an hour when he was overtaken by the sheriff's car.

The arrest was made on Route 32 near the Wallkill valley railroad crossing near the city line at about 8 p. m.

Strike Authorized
New York, Dec. 10 (AP)—The New York Local of the Radio Directors Guild (A.F.L.) has authorized a strike January 1 against the N.B.C., C.B.S. and A.B.C. Networks and Station WOR, New York outlet of Mutual, but both sides expressed hope today it would be averted. The Guild is asking a weekly minimum of \$250 for staff directors, compared with \$100 at present, and similar adjustments in other classifications.

New York State's Conservation Department has long contended that wolves are not to be found within the upstate region. But while hunting fox near Rodman, N. Y., Walter Brown, left, and Charles Young were charged head-on by this animal. They still think it is a wolf.

17 Ulster Artists Exhibit at Hotel

The first list of 17 exhibitors who will have their water color and oil paintings on display in the Palm Room of the Governor Clinton Hotel during the Ulster County Artists' Association show which opens today, were released this morning by Alexander S. Fuhrman.

The display, Mr. Fuhrman said, is for Ulster county artists only and will be open to the public beginning today and concluding Friday, December 19.

The artists listed include Joseph Motey, Michael Hughes, Kenneth Hughes, Mrs. Kraus, Paul Woerner, Sophie Miller, Raymond Nickerson, Mr. Fuhrman and Mrs. Gussie Wald, Kingston; Miss Gladys Mitchell, Eugenie McAvoy, Frieda Borkman, Elvieda Borkman, Mercy Ann Hillman, Woodstock; L. George, William Borland, New Paltz, and Francis Antenucci, West Hurley.

Spence Is Traded

New York, Dec. 10 (AP)—The Washington Senators today traded centerfielder Stan Spence to the Boston Red Sox for outfielder Leon Culikerson and Al Kozar, a second baseman from New Orleans of the Southern Association last year. The deal between the two American League clubs was reported to have involved no cash. Spence hit .279 for Washington in 147 games during the past season, but both sides expressed hope today it would be averted. The Guild is asking a weekly minimum of \$250 for staff directors, compared with \$100 at present, and similar adjustments in other classifications.

Mayor to Direct Gardenaid Sales

Unconfirmed reports are that when William F. Edelmuth succeeds his majority duties January 1, he'll become sales manager for Gardenaid Tractors made in Kingston.

Although the mayor has made no announcement about his business plans after Oscar Newkirk takes over at the city hall, it is known that communications have been directed to him as sales manager of the St. James street concern.

Prior to serving three terms in the city hall, Mayor Edelmuth was a cigar salesman for the Van Slyke & Horton Co.

Widow Receives \$6,000

New Haven, Dec. 10 (AP)—The widow of Leonard Volpe, Stamford veteran killed in an automobile accident December 27, 1945, less than an hour after his discharge from the army at Fort Devens, Mass., has received a \$6,000 settlement from the government in the first negligence action in the Connecticut Federal Court since passage of the Federal Court Claims Act last year.

Plane Crash Reported

Konawa, Okla., Dec. 10 (AP)—An airplane crashed and burned here before dawn today. An Oklahoma highway patrol unit reported from the scene there appeared to be two or three fatalities. The patrolmen indicated the airplane was a small one. Tinker army field at Oklahoma City had no army craft missing. Konawa is 70 miles southeast of Oklahoma City.

Late Bulletin

London, Dec. 10 (AP)—Secretary of State Marshall charged tonight that Russia is taking assets from eastern Germany at a rate of more than \$500,000,000 yearly and he demanded that the withdrawals be halted effective January 1.

Deeds, Mortgages Hit Record Highs

The number of deeds and mortgages continue to attain record proportions in Ulster county, according to the records of the county clerk's office where these instruments are recorded. Thus far in the month of December there have been 137 mortgages filed for record and 151 deeds.

From April first to date there have been 2,199 mortgages recorded in the office.

Because of the large number of instruments being received the recording office is far behind in copying the instruments and deeds filed for record in the office are not actually copied in the big record books until several months after being received. While the deeds are on record as filed, evidence frequently four to five months before the actual copying is done and the instrument returned to the property owner. Inability to get sufficient help and machines for copying the instruments is the reason for the long delay.

Reports Send Police Hunting Gun Toter

Two reports, one by a passing motorist and the other by Dr. Gilbert F. Hoppenstedt of Roseland, sent the Kingston police department in action in the vicinity of the Boulevard Tuesday night, searching for a man of medium size who was reported to have been brandishing a revolver.

Both reports were checked carefully by Officers Leonard Ellisworth and Kenneth Stratton and later by Officer Frank Sammons but the hunt proved futile.

The first tip came in at 9:15 p. m. when Officer Sammons notified headquarters that a motorist had told him that there had been a man coming in the Boulevard with a revolver in his hand. Two officers were dispatched to the scene in a radio car and combed the area but found no such person.

A few minutes later Dr. Hoppenstedt, who was driving on the Boulevard near the intersection of the TB Hospital, said he saw a man of medium size wearing an old army uniform with a large revolver in his hand running towards Fair and Wall streets.

Dr. Hoppenstedt, the police said, immediately turned his vehicle around and went uptown and notified Officer Sammons. The officer returned to the Boulevard area but also failed to see anything of the man.

East Liverpool, O., Dec. 10 (AP)—John Logan told police five boys ripped off the wig and whiskers of his Santa Claus suit last night as he walked home from his department store job.

Jury in Negligence Action Disagrees

The jury which heard the evidence in the negligence action brought by Jesse M. Ostrander and Herbert Ostrander against the Pine Hill Bus Corporation was unable to come to an agreement and Justice Bookstein finally discharged the jurors when it was announced that a disagreement was inevitable.

Tried in Supreme Court Monday and Tuesday the action arose out of injuries which plaintiffs suffered, and for damage to the Oldsmobile car of plaintiffs, when it left the road and struck a stone wall at West Hurley on May 26, 1946 in an effort to avoid a bus which stopped suddenly on the highway.

The negligence action was followed by an action to set aside the verdict, brought by Francis P. Gallagher against Dorothy McCann and another, Chris J. Flanagan for plaintiffs and Connelly & Connelly for defendants.

Alfaro Resigns Office

Panama, Dec. 10 (AP)—Foreign Minister Ricardo J. Alfaro resigned from the government last night because of his opposition to a proposed agreement under which Panama would lease 13 defense bases to the United States. President Enrique Adolfo Jimenez, who announced Alfaro's resignation, said the agreement would be signed today and presented to the national assembly for approval at a special session Friday. The United States regards the bases as vital to defense of the Panama Canal.

Postmasters' Meeting

The next regular meeting of the Ulster County Postmasters' Association will be held in the Kingston Central Post Office, Room 3, on Thursday evening at 8 o'clock. The business meeting will be followed by an appropriate Christmas program. Some words fool you:

ROOT means

ROOT means

...but BALLANTINE always means: PURITY

There's the root on beans and brussels sprouts... the root composed of yells and shouts. Clearly, root is one of those words with more than one meaning. It can fool you.

But not Ballantine! There's a word that never fooled anybody. Ballantine always means PURITY, BODY, FLAVOR... the qualities symbolized by Peter Ballantine's famous 3-ring trade mark. Look for the 3 rings; call for Ballantine.

Oak Ridge Session Goes On; Contract Is Aim of Parley

Oak Ridge, Tenn., Dec. 10 (AP)—A negotiations meeting begun yesterday morning continued into the early hours today without interruption as company and C.I.O. union officials sought to agree on a new labor contract for 3,000 C.I.O. workers at an atomic energy plant here.

Although a strike threat was withdrawn Monday by the union at the request of the Federal Mediation and Conciliation Service in Washington, officials of lo-

cal 288 of the United Gas, Coke and Chemical Workers Union and Carbide and Carbon Chemicals Corp. carried on in their marathon negotiations meeting without announcement of any kind.

The union had threatened a strike unless its demands for a 25-cent an hour blanket wage increase and other concessions were met. Its contract with the corporation, which operates the huge Uranium-235 plant here for the government, expired last night.

Washington, Dec. 10 (AP)—President Truman today nominated Maj. Gen. Clifford B. Cates to be commander of the Marine Corps with the rank of general.

Economics Professor Tells Club Americans Must Conserve Food

Millions of people in Europe may starve before next spring unless this nation's voluntary program of assistance is effective, Dr. T. N. Hurd, professor of agriculture and economics at Cornell University, told the Kingston Lions Club at its luncheon meeting Tuesday in the Governor Clinton Hotel.

Details of both state and national food-conserving programs were explained by the speaker who announced that plans are advancing to begin action on a "local level" through various community organizations.

Both state and national campaigns, meanwhile, are being intensified and the purpose of the program stressed through all publicity channels. If full information is presented to the people of the nation, he said, "we do not have to worry about reaching the objective."

The program generally calls for the conservation of foods in animal feeding and in human nutrition and both the state and national drives are trying to help the farmer conserve grain, and educate consumers in effecting methods of modifying diets.

It is no time, he stressed, to weigh the results to be obtained in Europe through the help given, but to remember first, that millions abroad are hungry and un-

able to do anything to produce more food between now and spring.

Weather conditions in Europe, he said, made the crops there generally poor, and the people are in definite need of outside help.

The wheat crop in the United States was at record high, Dr. Hurd reported, but the corn yield was poor by comparison. A general policy under normal conditions, he explained, would be substitute wheat for corn, but now the wheat is needed abroad.

The state food commission of 11 members appointed by Governor Dewey, through a similar national committee are urging economies on live stock, the use of more organ meats such as liver, more fish, such vegetables as peas and beans, and milk and cheese.

The program also stresses avoidance of waste and teaches the farmer many ways in which grain can be conserved. It urges the early slaughtering and storing of fowl for the holiday season and the feeding of live stock on a "production" basis.

If only one quarter of a pound of meat were served by each person in the nation for one week, he said, 36,000,000 pounds could be saved.

Dr. Hurd was introduced by W. Dale Swartzmiller, Albert Kurdt, county agricultural agent, was a guest of the club for the occasion.

Democrats Spurn Communist Help as Unwanted Dish

New York, Dec. 10 (AP)—The Democratic Party, its national chairman says, does not want the support of any Communist-dominated organizations or those "so identified in the public mind."

Rhode Island Senator J. Howard McGrath, visiting New York for the first time since his appointment by President Truman to the Democratic chairmanship, described his party's chances in the 1948 presidential election as "satisfactory," adding that major issues of the campaign would include high living costs, world reconstruction and the "inflationary trend."

He made his statements yesterday at a news conference preceding a private dinner attended by New York Democratic chiefs, McGrath responded to a quick "certainly" when newsmen asked whether the Democrats would welcome the support of former Vice President Henry A. Wallace but did not say whether the "slightest idea" whether it would be forthcoming.

The Democratic outlook is better than in 1946, the chairman said, contending that the Republican majority in Congress had failed to "face up to the responsibilities" while President Truman had given the voters "a splendid administration."

The dinner, at which McGrath spoke, was presided over by Paul E. Fitzpatrick, party state chairman. Guests included New York City Mayor William O'Dwyer, former Postmaster General James A. Farley, Democratic State Chairman John M. Bailey of Connecticut, and 53 of New York state's 62 Democratic county leaders.

Earlier, the county chairmen were Fitzpatrick's guests at a luncheon conference. The meeting was called by the state chairman to draft plans for the spring primary, the national convention and the presidential campaign.

Wallace Says U. S.

Continued from Page One
president and dismissed secretary of commerce said, "I will do what I can to help."

Wallace began here an upstate speaking tour, the object of which, he said, was to "confirm" a "theory" that the people north of the Bronx "are open minded to the fact the world changes."

Reminded that Senator Brewster (R-Me.) said in Washington Monday that he had heard Wallace planned to "bolt the Democratic party and announce his candidacy for Presidency on a new ticket," the former cabinet member declared:

"I haven't employed Senator Brewster as my public relations man. I am not aware of the fact that he was engaged by the F.B.I."

"Is the F.B.I. keeping an eye on you?" a reporter asked.

"Not that I know of," Wallace laughed.

He expressed "wonder" as to where "Brewster got his information."

"Was it right?" Wallace was asked.

My attitude today," he said, "is just exactly the same as it has been right along. It is apparent that the Democratic party is a war party. I will do all I can to see that there is a third party."

Wallace added that in his opinion the "Democratic national administration is a 'war party,' but he 'hoped' a change in 'attitude' would occur.

"Frankly, I'd like to see just exactly what President Truman is going to say when he submits his message to Congress," Wallace said in developing the theme that he hoped to alter the Truman foreign policy course which he described as a "get tough with Russia" policy.

Wallace said he would like to receive "some assurance" from Senator Howard McGrath, chairman of the Democratic National Committee, that the Democratic party is not "a war party." He said he had been invited to talk with the Democratic leaders and that any move "should come from them rather than from me."

er Mrs. Augusta Taylor, of her son's death. The report showed an unusual heart condition and the doctor added that had Taylor recovered he would have spent the rest of his life in a wheelchair.

College Graduate
Mr. Taylor was graduated from Cornwall Military Academy and from Georgetown University, Washington, D. C. He served with the army during World War 2 from November, 1942, until his discharge in March, 1946. He was a member of the 102nd Infantry Division in the European Theatre of Operations and was a technical sergeant at the time of his separation from military service.

Prior to his work at the Colonial Purchasing Co., Mr. Taylor had been associated with Mr. Ellis at the Personal Finance Company for about six or seven years. The dead man had been with the North Front street firm for about 13 months since its organization.

Besides his mother, Mr. Taylor is survived by an aunt, Mrs. Ada Taylor, Brooklyn; and another aunt and niece in Texas.

Coroner Kelly said today that the body will be turned over to a Hensenville undertaker for burial services. No arrangements for the funeral were available today.

Motorists to Get Twice as Much for Their License Cash

Albany, N. Y., Dec. 10 (AP)—The nearly 100,000 New York motorists who hold distinctive license plates will enjoy twice as much distinction next year.

The return of two licenses, after a wartime lapse during which only a rear plate was issued, will permit motorists to display their so-called "low numbers" both coming and going.

Motor Vehicles Commissioner Clifford Fletcher said today the usual quota of 80,000 to 400,000 special plates had been set aside again this year.

New York state for many years has permitted automobile owners to reserve distinctive plates. The most popular combination consists of the owner's initials, followed by his house or apartment number.

The bureau, which for years regarded these plates as a headache, now concedes they have advantages.

"They cut down the lines at issuing offices where the regular plates are distributed," Fletcher said. By processing applications ahead of time, he explained, the plates can be prepared for mailing ahead of the usual rush.

The distinctive licenses are issued annually upon the filing of renewal applications by owners.

Fads develop in special plates. After the war, ex-Navy men liked their licenses identifying their former ships.

One motorist has a standing order for "ME-2." Another likes an irreverent "HE-11."

Official state cars carry numbers only, without letters. Anything under 30 identifies a high ranking state elective or appoint-

tive officer. State senators come next in the numerical scale, followed by assemblymen.

Lt. Gov. Joe R. Hanley has number 2.

And number 1? Governor Dewey.

It has been estimated that people of the world drank 300 billion cups of tea in 1939.

Girl Is Acquitted
New York, Dec. 10 (AP)—Wanda Kovacs, attractive 26-year-old brunette, was acquitted last night by an all-male Kings county court jury of a manslaughter charge in the fatal stabbing of her sweetheart, George Mehling, 35, slain last August 3 in a Brooklyn rooming house.

Plane Crashes...

might take dogs all day to reach the scene over the rough terrain.

Directs Rescue

Major General William H. Tunner, commander of the Atlantic Division of the A.T.C., was directing the rescue operations. He said he would fly to Goose Bay immediately.

Lt. Stanley H. Bear of the Medical Corps, a qualified parachute physician, was expected to arrive momentarily from Pope Field, S. C. He will jump if necessary to aid any survivors.

A helicopter had been dismantled, ready to be placed aboard the C-82 for swift flight to the scene. It will be reassembled at Goose Bay and head for the location of the crashed plane with all possible speed, the army said.

Westover said Bear could bring quick aid to any survivors by parachuting as it might require many hours to reach the downed craft on foot.

The region in which the transport is believed to have crashed is rough scrublands near the trading post of Northwest River, about 15 miles north of Goose Bay.

Goose Bay is a large R.C.A.F. base which offers an alternative landing for transports on the trans-Atlantic run bound for the Gander Base in Newfoundland.

While occupied by the R.C.A.F., it has a large U. S. Air Force establishment, organized to service this leg of the A.T.C.'s European service.

The base is built on a 300-foot sand dune in mountainous territory along the Hamilton river, which flows into Hamilton inlet. Circling the area is the weather-break of the Garney mountains.

There is no land connection between Goose Bay and the populated regions, and at this time of year the base is inaccessible by sea.

Goose Bay is also a base for search and rescue operations. Its search facilities include planes, boats and overland dogged units.

Beef Frozen 40 Years

Same in Nutritive Value

Atlantic City, N. J., Dec. 10 (AP)—Lean meat frozen for 40 years in hermetically sealed tin cans is similar to fresh beef in nutritive value and chemical composition, five researchers reported yesterday.

The 43rd annual meeting of the American Society of Refrigerating Engineers heard the report of the researchers, who declared that, "in palatability, there was a slight preference for the flavor of the fresh beef, otherwise there was little difference."

The report on cans of beef packaged from 1906 to 1908 was made by J. M. Ramabottom, E. J. Strandine, L. B. Jensen, E. E. Rice and H. B. Lockhart, of Swift and Co., research laboratories, who said they submitted the meat to tests by blindfolded, experienced meat judges.

50 Shrine Members Make Trip to Cyprus Temple

Approximately 50 members of the Kingston Shriners Association attended the ceremonial at Albany on Saturday when 10 local candidates were initiated into membership of Cyprus Temple. The local Shriners made the trip to Albany by bus and private cars, 30 shriners and seven candidates making the trip by special bus. The first part of the ceremonial was held at Cyprus Temple and the second part in Odd Fellows Hall. The initiation ceremony was followed by a party and floor show held at the Ten Eyck Hotel.

The 10 candidates who were initiated at the ceremonial were: Alfred G. Messinger, Harry Hutton, Dr. A. Lipsker, Gus Paulsen, Michael Bjarkis, Philip Gordon, Edward Davis, Freeman Lasher, Henry Hartley and Lorenz Stowell.

Virginia Schmidt,
Nurse, Engaged

MISS VIRGINIA SCHMIDT
Mr. and Mrs. Henry Schmidt of
Eau Gallie, Fla., formerly of Fort
Ewen, announce the engagement
of their daughter, Miss Virginia
Schmidt, to Edward Snyder, son
of Mr. and Mrs. Louis Snyder, 45
St. James street. The wedding
will take place in January.

Both are graduates of Kingston
High School. Miss Schmidt is a
graduate of the Kingston Hospital
School of Nursing. Mr. Snyder is
employed in the business office of
Trailways Bus Depot.

Robert Thornell,
Navy, Marries

Gertrude A. Deyo

The wedding of Miss Gertrude
Ann Deyo, daughter of Mrs. Ken-
neth J. Deyo, 567 Albany avenue,
to Robert Charles Thornell, avia-
tion radioman second class, U. S.
Navy, son of Mrs. E. A. Thornell,
142 Clinton avenue, took place
Sunday at 2 p.m. in Lutheran
Church of the Redeemer. The Rev.
David C. Gaiso, pastor, officiated
at the double ring ceremony.

Frederick Richens was organist.
Miss Dorothy Groves sang
"Through the Years" and "O,
Promise Me." The church was
decorated with chrysanthemums
and orchid pompons on the altar.
Reginald B. Deyo gave his sister
in marriage. She wore a prin-
cess gown of lace with full length
veil and train. Her veil was at-
tached to a crown of pearls and
she carried a white satin covered
Bible with an orchid. She also
wore a single strand of pearls.

Mrs. Robert Deyo, sister-in-law
of the bride, as matron of honor,
wore a pink taffeta gown with
gold head piece and gold slippers.
She carried orchid chrysanthem-
ums bound with blue and pink
ribbon.

Robert L. Deyo, brother of the
bride, was best man. Ushers were
Donald K. Deyo, another brother,
and Richard Johnson of Brook-
lyn, cousin of the bridegroom.
A reception for 45 relatives and
immediate friends was held at the
Rainbow Inn. Afterward the bride
and bridegroom left for a wedding
trip to New York. For traveling
she chose a green ensemble with
accessories to match and a cor-
sage of orchids. They will reside
in Key West, Fla.

Mrs. Thornell is a graduate of
Kingston High School. Mr. Thorn-
nell attended schools in Long Is-
land and Brooklyn before enter-
ing the navy. December 1942. He
is stationed at Key West, Fla.

Four K.H.S. Singers
Chosen for State
Choir Concert

Four students from Kingston
High School's A Cappella Choir
have been selected to participate
in the 150-voice All State High
School Choir at Syracuse this
week-end. The choir and All
State College Band will give a
concert Saturday night in the ball
room at Hotel Syracuse as a cli-
max of the three day annual con-
ference of the New York State
School of Music Association.
Those chosen are Miss Harriet
Boice, soprano; Miss Marilyn
Kunst, contralto; and Harry Koch
and Donald Laidlaw, baritone.
They will leave early tomorrow
for Syracuse and attend rehears-
als with the other young people
for three days prior to the con-
cert. All four are seniors and
members of the K.H.S. choir for
the third year.

Leonard Stine, music super-
visor of the schools will attend
the conference, which will include
more than 1,000 music super-
visors.

The choir members have been
selected from 127 high schools
throughout the state. There were
more than a thousand applica-
tions for the participation. Donald
Craig, conductor of the Fred
Waring chorus, will conduct.
Harold Bachman will conduct
the band which will be selected
from students attending colleges
in the state.

RETURNING WEDDING PRESENTS

A distressing situation is brought out in the following letter: "What is the rule about disposition of wedding presents when a young couple separates and divorce proceedings are started two months after the wedding? It's the husband who has changed his mind and who now is asking to have some of the presents."

Strictly speaking, all the wedding presents belong to the bride to keep. However, it would be no more than just to give her husband all the things that were sent by his own family and personal friends whose presents were sent her on his account.

Who Will Do the Furnishing?

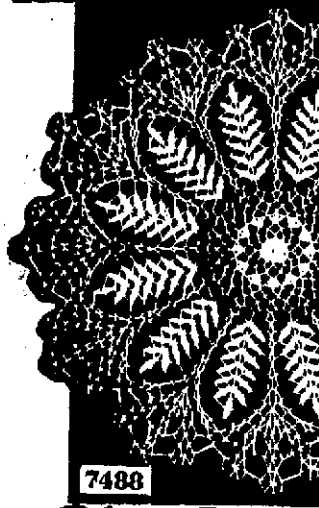

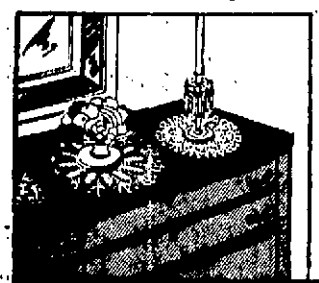

Dear Mrs. Post: I am planning to be married soon and the question of who shall buy the furniture has come up. My fiancé's family seems to think that it is up to me. I disagree with them entirely and think that the buying of the furniture is an obligation of the bridegroom. Will you please set us straight on this matter?

Answer: The only actual obligation is that the bride shall bring the household linen. Although many suppose that the bridegroom buys all of the furnishings (when he can do so), this is seldom so. In other words, you furnish your future home when and as you can, between you.

friends have been arguing with me for so long that I don't know what I should do about my second wedding. Friend No. 1 tells me that since I am still young, I can have a big wedding reception for business acquaintances as well as friends, but that the ceremony must be small and private. Friend No. 2 says that I can have as big a wedding ceremony and reception as I would like. Friend No. 3 says that both wedding and reception must be limited to most intimate friends. Which of the three is right?

Answer: Friend No. 3 is correct.

New York to Support Pine Line Application

New York, Dec. 10 (AP)—Mayor William O'Dwyer says the city will support the application of the Transcontinental Gas Pipe Line Co., to build a \$150,000,000 natural gas line from Texas to the eastern Bank of the Hudson river.

The Texas company's application is now before the Federal Power Commission in Washington and O'Dwyer said yesterday he had instructed Corporation Counsel John P. McGrath to appear in support of the petition.

If the F.P.C. grants the request, "some 2,400,000 gas users may hope for favorable effects on future gas rate schedules, and more reliable gas service," O'Dwyer said.

The proposed line also would supply natural gas to utility companies in Philadelphia and Newark; he asserted, adding that the pipe line firm's application is being opposed by the Consolidated Gas and Electric Co., of Baltimore.

Will Discuss Welfare Problems on Thursday

New York, Dec. 10 (AP)—City Welfare Commissioner Benjamin Fielding and officials of the State Department of Social Welfare will meet here tomorrow to discuss problems and proposed changes in New York City's \$142,000,000 relief administration.

The conference with State Commissioner Robert T. Lansdale and Deputy Commissioner Lee C. Dowling, in charge of the New York City area, will be the first such party since Fielding assumed the welfare post last October. The state officials said they had requested the meeting and Fielding announced his acceptance yesterday.

The state has been conducting an investigation into alleged relief abuses here.

In Albany yesterday, Lansdale taxed Fielding with responsibility for breaking the "top level, formal day-by-day relationship" between the city and state departments.

House Too Cold, Wife Sues and Wins Divorce

Baltimore, Dec. 10 (AP)—Testimony that her clergyman husband kept the parsonage at a temperature of less than 60 degrees and told her to "put on a sweater, robe and long underwear," won a divorce for Mrs. Nettie S. Phillips.

Mrs. Phillips told Judge Edwin T. Dickinson in Circuit Court No. 2 yesterday she married the Rev. Euclid Phillips in November, 1944, and had to leave him two months later when she contracted a severe cold and a sore throat.

She testified the Reverend Phillips sat around the house in his overcoat and muffer around his neck and rubbers. The parsonage and heat, she said, were supplied by the parish.

The Reverend Phillips' present address was given as a home for the aged at Sharon, Pa.

Judge Dickinson gave Mrs. Phillips, a department store saleslady, the right to resume her former name, Nettie Shields Epps Curd.

Mother Faints, Drowns In Washing Machine
Miami, Fla., Dec. 10 (AP)—An autopsy revealed that Mrs. Neta Swengel, 37-year-old mother of four children, drowned in a washing machine following a fainting spell at her home in suburban Ojus.

Mrs. Swengel's body was discovered yesterday by her husband, Oliver, who found her collapsed over the machine, her head submerged in the water and swaying with the agitator.

"She evidently fainted, her head and shoulders fell into the machine, and then she drowned," said Dr. R. V. Edwards.

CHRISTMAS CARD IS TRAGIC MEMENTO

Most important thing in the lives of Victor and Nell Lipnicki, of Cleveland, Ohio, was their three children, Danny, 2 years old, Peggy, 5, and Warren, 3 months. So the parents were proud of their inspiration for the Christmas card pictured above, carrying "Happy Holiday" greetings to their friends. But the picture became a symbol of grief when baby Warren was found smothered in his baby carriage the other day.

Truman, Marshall Should Function As Voice of America

New York, Dec. 10 (AP)—President Truman and Secretary of State Marshall are "the true 'Voice of America,'" and should lead the way in steps designed to combat anti-American propaganda abroad, Sen. Lodge (R-Mass.), said last night.

Discussing the question "how can we combat anti-American propaganda in Europe?" on America's Town Meeting of the Air radio (ABC) program, Lodge said the "world radio and press are largely open to Truman and Marshall and they should function as the 'Voice.'"

"The Voice of America" is the name given by the U. S. State Department to its internationally broadcast radio programs beamed around the world from east coast transmitters through European relay stations.

Participating with Lodge in the discussion were Rep. Case (R-S. D.), Maj. Gen. William J. Donovan, former director of the Office of Strategic Services, and the Rev. William H. Melish, national chairman of the Council of American-Soviet Friendship.

Melish criticized U. S. foreign policy and said "Europe feels she is being offered attractive goods under a handsome label, 'democracy.' But when she opens the box, she finds arms and money for her most reactionary, unstable, and least popular regimes."

He suggested the U. S. "use the United Nations for relief, encourage two-way trade in western Europe, and not interfere in the workings of governments which other peoples want."

Lodge said the U. S. government should "buy time on foreign broadcasts and space in foreign newspapers. We should perhaps provide translated editions of American newspapers published on the continent."

He also suggested the U. S. "make newsprint available to newspapers whose anti-American line derives from fear of reduced allocations from Communist-dominated government agencies rather than agreement with Soviet philosophy."

Nurses Will Discuss Problems of the Aged

A meeting of the public health nurses in the Middletown district will be held on Friday in the library of the city laboratory in Kingston. This is the third in a series of meetings held throughout the year on the medical and psychiatric problems of the aged. The course is designed to inform public health nurses about current trends in medicine and nursing. Mary Slattery, R.N., district state supervising nurse, has charge of planning the program of the series.

The conference on Friday will be centered on "Mental and Emotional Problems of the Aged." Dr. Charles Niles, psychiatrist from Hudson River State Hospital, will address the group at the morning meeting. In the afternoon, Mrs. M. K. Knapton, a psychiatric social worker, will lead the discussion on the geriatric problems met by the public health nurse in home visiting. Nurses from four counties will take part in this group discussion.

Miss Adèle Dickerson, director of nurses in the Ulster County Health Department, is handling the arrangements for this meeting in Kingston. She will be assisted on Friday by Mrs. Mary E. O'Neill and Mrs. Harriet Breslow, staff nurses in the towns of Esopus and Wawarsing. Mrs. O'Neill will introduce Dr. Niles at the morning meeting and Mrs. Breslow will be chairman during the afternoon session.

Notices of the conference have been sent to school and industrial nurses, hospital superintendents, and social case workers. Any other professional personnel who are interested in the problem of geriatrics are cordially invited to attend the Friday meeting.

Is The Kitchen Sink Healthier Than You?

Maybe the Doctor is right! On the question of the modern woman, her figure and her health, noted nutritionist Dr. Gaylord Hauser said, "One of the best-kept secrets in America is the kitchen sink!"

Could you be guilty of ruining your figure and enriching only your garbage can by the improper use of food?

To balance your diet, you should know the caloric content of food. If you need to lose a few pounds here and there or maybe pad your hips with a little flesh, you can do it with a knowledge of food values.

Since hundred caloric portions are easiest to deal with, here are some to help you guide your eating:

One slice bread, half grapefruit, tablespoon butter, one broiled lamb chop, four canned asparagus, one and three-quarter cups steamed rice, one chocolate peppermint, four cups celery, 12 brussels sprouts, five green peppers, three molasses cookies, half cup rice pudding.

How many calories do you need a day to gain weight?—to take off pounds? What is your ideal weight? See our Reader Service booklet No. 46. It includes a 14-day reducing diet. And for those who want to add weight, there are high-calorie menus for 14 days.

Send 25 cents (coin) for "Change Your Weight for Beauty's Sake" to The Kingston Daily Freeman, Reader Service, 243 West 17th street, New York 11, N. Y. Print name, address with zone, booklet title and No. 46.

EDDYVILLE

Eddyville, Dec. 9—Charles Horton, who has been at the Kingston Hospital since last Monday, enjoyed a visit on Friday from Hugo Zell and on Saturday Mrs. T. W. Fischer and Mrs. R. J. Levintan stopped in to see him. He is doing nicely and expects to be home soon.

Robert J. Levintan, local chiropractor, is spending this week-end with his mother, Mrs. M. Levintan of Brooklyn.

Father Joseph O'Rourke and the man of the Holy Name Society of the Sacred Heart Church of Eddyville called at the home of the late Joseph Lynch Sunday night to recite the Rosary.

Mr. and Mrs. Kissinger who recently arrived from Europe spent the week-end here with Mrs. Elsie Minarske and left Sunday for a stay in Florida.

Mrs. Hugo Zell, president, acknowledges the gifts donated by the members of the Ladies' Auxiliary of Eddyville for the card party to be given by both the Wilbur and Eddyville Auxiliaries on Thursday evening, Dec. 11, at the Wilbur Parish hall. Other donations include chickens by Jerome Muck and Emil Mezarolis of Whiteport.

Too Many Calories Responsible for Deaths

Philadelphia, Dec. 10 (AP)—Dr. Robert S. Goodhart, scientific director of the National Vitamin Foundation, says an overabundance of misplaced calories in the daily diet is responsible for more deaths in this country than any known disease.

Dr. Goodhart, also a member of the nutrition board of the National Research Council, spoke at a meeting last night of the Philadelphia Dietetic Association. "There are too many fat women in this country," Dr. Goodhart declared, in pointing out that malnutrition exists among many prosperous persons who eat sufficient calories daily but of the wrong type.

He emphasized that it was his belief that persons past 25 would live longer and feel better if they were approximately ten per cent underweight.

Prior to age 25 proper weight should be maintained, Dr. Goodhart said.

He recommended that persons should eat more often every day taking smaller amounts which would give them "a properly balanced diet."

Car Fire Reported

The fire department responded to a call about 10:20 p. m., Tuesday, to extinguish a fire in a car owned by Allan Coles of 297 Hasbrouck avenue at the intersection of Foxhall and Albany avenues. The fire was caused, officials said, by alcohol leaking on the motor. Some damage was inflicted on the wiring of the car, it was said.

Maroon Crushes Beacon, 70-19; Oklahoma Indians Here Tonight

Weaver Scores 21 as Kiasmen Open With 17th Straight Win

By comparison at least, the Kingston High School basketball squad is still a tremendous powerhouse.

Coach G. Warren Kias unveiled his 1947-48 Maroon varsity against highly regarded Beacon High last night before a packed house of devotees at municipal auditorium and the results were slightly awesome.

Founding the wicket at will against a hopelessly outclassed invader, the Kiasmen rolled up a decisive 70-19 triumph, racking up their 17th consecutive victory over a two-year span and achieving one of their highest totals in recent years.

Big Five Sizzles
The Big Five—Ken Lowe, Mike Rizzo, Big Ed Weaver, Bob Gheer and Joe Albany—although sluggish at times and guilty of sloppy ball handling in spots, as was to be expected for an opener—rolled over the outclassed engers in amazing fashion. And this was the same Dutchess squad, mind you, that led Newburgh Academy for three quarters only to be snuffed out in the closing minute, 42-44.

Weaver, who is a robust performer under the basket, sparked the Maroon attack with 21 points as the Kiasmen rolled up a 31-10 halftime advantage and were in front 57-17 at the three quarter mark when Kias cleared the bench and sent in everybody but the waterboy and official scorer.

Called Own Score
It is conceivable that had Coach Kias stayed with the Big Five, Kingston might have run 100 points. As it was the Maroons fluffed on 20 chances for the foul line, while converting 12.

The game began on an even note but with about two minutes elapsed, Weaver stormed in for a layup and foul to make it 5-1 and Mike Rizzo uncorked two of the prettiest shots of the night, connecting with a deuce fading under the basket and then hooking from the circle on his favorite one-handed shot. That ran up the score to 11-1, forced Beacon to call time out and you knew then it was just a matter of what score Kingston wanted to pile up.

Rizzo with 11 points was runner-up to Weaver while Ken Lowe tossed in 11 and Bob Gheer 7 for the regulars. Dauksys uncorked three set shots for Beacon to lead with 7 points.

And now for Liberty where baskets won't come as freely but where Kingston should get its share.

East's Aces In Finals

Chicago, Dec. 10 (AP)—A select field of 46 bowlers, who posted average of from 197 to 213 for 24 games in the qualifying round of the seventh annual all-star national individual match game bowling tournament, started play today in the semi-finals.

The 46 qualifiers, the top men from among the 166 keepers from 72 cities who started in the tournament last Saturday, have an assignment of six games this afternoon and an equal number to-night.

Then the 14 shooters for the full 36-game, total-pin route will join two former champions to start the match-game round tomorrow and continue their firing until next Sunday night.

The ex-titleholders are Andy Varipapa of Hempstead, N. Y., last year's winner, and Joe Wilman of suburban Berwyn, 1945 champ, who were seeded into the finals. Two other former champions, Buddy Bomar of Chicago and Connie Schwoegler of Madison, Wis., are among the 46 qualifiers.

Ned Day, who is ranked among the country's top shooters, failed to gain the semi-final round in the final. Stanley Slomenski, a 36-year-old Newark, N. J., fruit salesman, whose biggest achievement in bowling thus far was winning the New York state all-events title last season, headed the field into the semi-finals.

Qualifiers included:

Charles Johnson, Jr., Bayonne, N. J., 4940.
Tony Sparando, Woodside, N. Y., 4932.
Graz Castellano, New York, 4851.
Eddie Botten, East Orange, N. J., 4843.
Whitney Munn, Newark, N. J., 4833.
John Monetti, Orange, N. J., 4810.
Marty Cassio, Rahway, N. J., 4760.

Two of the professional sport's most talented up-and-comers, Harvey Johnson of the Yanks and Lou Groza of the Browns, are matched in this titanic struggle between division champions.

The last meeting of the two teams in regular season play resulted in a pulsating 28-28 draw. In another such close contest kicking conceivably could tip the scales.

Johnson, 28-year-old, balding former William & Mary star, has booted 49 extra points, 40 in a row, this year to set a new record. He also has made good seven field goals for a total of 70 points.

Groza, the 22-year-old specialist from Ohio State who uses measuring tape on the field for exactitude, has booted 39 extra points, seven field goals for 60 points. His production was reduced by an injury that kept him on the shelf for a while.

Johnson and Groza are old rivals. Last year it was Over-the-Bar Lou who kicked the most goals, 45 extra points and 13 field goals, three from midfield. But Johnson had the distinction of converting 36 times in 36 attempts for a 1.000 percentage.

Brooklyn (Broadway Arena)—Joe Governale, 165½, Brooklyn, outpointed George Small, 166, Brooklyn, 8.

Los Angeles—Gene Burton, 142, New York, outpointed Bernard Docusen, 142, New Orleans, 10.

In The Pocket with CHARLIE TIANO

• Bagatelles:
High powered special attractions in bowling have been virtually nil to date, but there is some promise of action in the near future.

A couple of challenges have hit the desk in the past week. . . . Jean Mickey Michaels, former state champion, has challenged Rose Schatzel to a home and home engagement for \$500, while Barney Spinella, one of the few men ever to win the A.B.C. all-events crown twice, and Tillie Taylor, former W.B.C. singles champion, have tossed the gauntlet to Johnny Ferraro and Mrs. Schatzel for a special double match. . . . Mrs. Schatzel, who will recall, administered a rather artistic shellacking to Miss Michaels last year and the city slickerette has been suffering a slow burn ever since. . . . Speaking with Rose about the challenges we got the impression the "Queen" is not ready for singles action and if she bowls anybody for money this season it will be the petite Philly dynamite, Ann Karrier.

• The Duchess Speaks:
Something new has been added: Reta Frederick, of the K.W.B.A., has installed a much needed new bulletin board at the Central Recs. When the No-Can-Do League moved in from Emerick's, Secretary Ken Van Etten spotted a small opening in one corner of the women's bulletin board and promptly took over for his league roster and averages. . . . Ken expanded his territory but good to force the ladies to such a distance, right on top of the stairway. . . . Per-haps this was a good move, after all for the ladies, since the old bulletin board was beginning to look like the beach on picnic day.

Furthermore, more space than ever is needed this season since Captain Mae Martello and her Cuneo teammates actually have been looking up their team, standing and individual averages. . . . This looks like a good sign. Mae and her girls are swell sports and always have a good Wednesday night, not always in big totals, but in fun and relaxation, the real purpose of the game.

It is reported that the Emerick and Colonial women's leagues are nearly 100 per cent subscribed for the Bowler Victory Legion which will again sponsor a holiday party at Castle Point Veterans' Hospital on January 11. . . . Kingston was seventh in the national standings for high-st contributions on February 1, 1947 through the joint efforts of the K.B.A. and K.W.B.A. . . . It will be a bit more difficult for the girls without the assistance of cheerful Ad Jones and the K.B. members. . . . If Kingston doesn't make the headlines this year in the B.V.L. drive, the purpose of the organization will have been accomplished anyhow if the Castle Point patients derive a bit of pleasure from the efforts of the city's bowlers.

• Highlights, Whispering and Lipreading:
An aside from Capt. Reta Frederick's of the Mayorettes to George "Stooge" Robinson. . . . Oh, no, smartly our uniforms were delivered before Nov. 4. . . . Paul Trudler's baby this winter is a nice 258 single last Thursday night. . . . Sam Moss out scouting talent for his new show and still looking for non-skid bowling shoes. . . . Charlotte Lapine, itching to bowl, faithfully keeping score for the G.E. girls. Gas masks would have been in order for the bowlers for such nights as Dec. 2 and 3. . . . Ex-Gis thought it was a chemical warfare delivery. . . . Catherine Landers still convalescing from her recent operation. . . . Walter Donnaruma, catching the bowling bug, is serious about the game. . . . Thanks to whoever adjusted the P.A. system for softer tuning of the announcer. . . . There were times when Marty Kellenberger sounded like a submarine in the Inner Sanctum cast. . . . Rose Schatzel really got the ball collecting donations for Castle Point last Wednesday's session. . . . If the executives of the league have time for so much extra work, wouldn't the organization be a stronghold if every bowler did just a bit more for the president? . . . Sincerely, the Dutchess.

As the wag remarked, if Jersey Joe Walcott didn't beat Joe Louis then Ralph Neville wasn't banished to the bowling Siberia by the major league.

Joe Kelly-Inform: us there is no truth that Dick Howard and Chris Robinson have been matched for the curtain raiser on the next boxing card.

Whatever because of Willie Rappaport?

MULLIGAN MIKE SAYS: The fellow who thinks he's a wit, is usually at least half right.

Toes May Decide Pro Grid Title

New York, Dec. 10 (AP)—The All-America Football Conference championship playoff in Yankee Stadium Sunday between the New York Yanks and Cleveland Browns may be decided by a toe.

Baseball Dinner Tickets Ready

Tickets for the City Baseball League dinner, scheduled Monday, December 15, at The Barn are ready for distribution, Warren Smith, league president, said today. The tickets may be secured from Eddie Murphy at the central post office.

Walcott In Chips

New York, Dec. 10 (AP)—Jersey Joe Walcott stands to make a pretty penny from exhibitions, personal appearances, radio and writing jobs between now and the time he meets Heavyweight Champion Joe Louis in a return bout, probably next June.

Walcott's manager, Joe Webster, said today that the Camden, N. J., fighter already had received offers totalling \$150,000, and is considering making a South American exhibition tour similar to the junket Louis took last winter.

Walcott will make his first Canadian appearance next Monday at Toronto where he will referee a bout.

Walcott, loser of a disputed split decision to Louis in their 15-round title bout here last Friday night, has indicated the Twentieth Century Sporting Club management will have to do some dickering to get him into the ring again with Louis.

Louis said yesterday he would be willing to meet Walcott again on a 40-20 per cent cut of the gross gate. But Webster announced in Philadelphia that his fighter wants 30 per cent "and not a point less."

Redskin Quintet Expected to Test New Legion Power

One of the finest road attractions in basketball—the original Oklahoma Indians—a real Indian "peace pipe" ritual and tribal dance—are on tap for Kingston Legionnaire followers tonight at municipal auditorium.

The crack redskin basketballers who played 114 games from coast to coast last season are expected to provide one of the better shows of the season as they test Kingston's newly found strength.

Game time is 9 p. m. Coach Andy Dykes said he expected to have Tommy Maines available for duty tonight to add defensive and offensive power to a club that was impressive in a 46-44 conquest of the vaunted Millerton Legion last week.

Addition of Don Ross and Dan McGrance, a couple of Y League stalwarts, lifted the Legionnaires out of the doldrums and from here

Dungy and Leland Draw Next Boxing Features

A real parade of punchers has been rounded up for B'nai B'rith's next amateur boxing card scheduled for Thursday, December 18, at the Kingston Municipal Auditorium.

Dr. Saul Goldfarb, the organization's ring sport chairman, after looking over the bill remarked, "I think it should be one of the best to date, comparing with that sizzling show featuring the Canadian team."

The list of scrappers includes Russ Dungy, Chicago Golden Gloves bantamweight champion; Harold Morton, sensational Albany star; Dick Leland, Gary, Ind., knockout wallop; Paul Hawks, the Beacon Bomber, and Cy Cummings, Poughkeepsie midweight contender.

"Kingston fans like punchers," Dr. Goldfarb stressed, "and they should get their fill when these boys start tossing leather next week."

Russ Dungy, who soared into prominence as an amateur when he moved in from Gary, Ind., to cop the Chicago Golden Gloves championship, is matched with Harold Morton, Albany's featherweight pounder. Fans will recall how Dungy polished off George "Babyface" Decker several weeks ago, and Morton's sensational scrap with Doug Roe of Canada, in which he overcame an early knockdown to punch his way to the decision.

Is Kago Art?

Dick Leland, the other Gary boy who knocked out Oliver Phillips, Buffalo welterweight with lots of class in 36 seconds of the second round, is paired with Paul Hawks, Beacon thumper, one of the most rugged boys in the amateurs, who has met all corners. Cummings, Poughkeepsie midweight, who demonstrated his punching ability by knocking out Kingston's Joe Ausanio, will meet Sammy Vaughn, 162-pound white boy from Charleston, West Virginia, a tough puncher now making his home in Schenectady. Another five rounder will feature Bobby King, 134, Schenectady, against a formidable opponent.

Three round preliminaries: Jimmy Davis, 125, Poughkeepsie, vs. Dick Patrusky, Utica; John Afronzi, 148, Poughkeepsie, vs. Freddie Harris, Utica; Walter Buckley, 135, Newburgh, vs. Frank Bunco, Kingston.

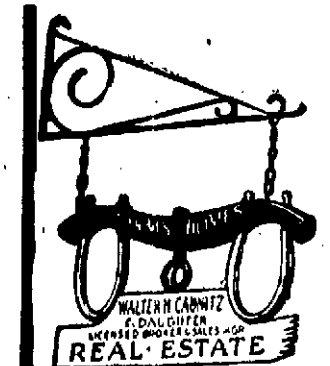

The show will start at 9:30 o'clock, a half hour later than usual, for the convenience of Christmas shoppers.

Dr. Murray Greene, ticket chairman, announces that reservations are being taken by phone at B'nai B'rith on Wall street, 5018.

Woodstock Fire

Woodstock, Dec. 9.—Efficiency displayed by the local fire department saved the studio home of Paul Arnold, netter of Liberty Lane, Tuesday. Sparks from a chimney fire set the shingled roof ablaze, about 3 p. m., but quick arrival and the efficiency of the firemen saved the house. Slight damage was reported.

Dawe's Prize Walleyed Pike

Richard C. Dawe of 320 Pearl street displays the seven and a half pound walleyed pike, measuring 28 inches, that he caught in the lower basin of the Ashokan reservoir. "The old boy put up quite a battle," Mr. Dawe said, adding "I had to have help to land him." Ben Cohen, local meat inspector, had to drop his own pole and join the scramble with his net. Wade Raps Sub Rule

Dunn, N. C., Dec. 10 (AP)—Coach Wallace Wade of the Duke University says the free substitution rule in football has taken away the driving force which makes the game worthwhile.

The Duke coach told Dunn Civic Clubs yesterday that he would renew his request to the rules committee of the National Collegiate Athletic Association in January to abolish the measure. Wade is a member of the Rules Committee.

The substitution rule was used for the first time this fall. The free substitution system, he pointed out, means that a good runner is put in the game only when a runner is needed. A good punter goes in only when a kick is needed.

"When we take away from football the necessity of a boy being a good tackler and blocker we have taken away the driving force that makes football worthwhile," Wade said.

"Any change which makes it possible for more boys to get into the game is a wholesome change, but I personally question if this one is to the best interest of the game."

Conviction Is Upheld On Leon Josephson

New York, Dec. 10 (AP)—The U. S. Circuit Court of Appeals in a two-to-one ruling yesterday upheld the contempt conviction of Leon Josephson, avowed Communist, for his refusal last March 5, to be sworn or testify before a subcommittee of the House Committee on Un-American Activities.

The majority opinion, written by Judge Henry E. Chase and concurred in by Judge Thomas W. Swann, held that "the power of Congress to gather facts of the most intense public concern, such as these, is not diminished by the unchallenged right of the individuals to speak their minds within lawful means."

Josephson, Trenton, N. J., attorney, was sentenced to a year in prison and fined \$1,000. He challenged his conviction mainly on the contention that the resolution establishing the House Committee was so "vague" as to make it unconstitutional.

Josephson's counsel said an immediate attempt would be made to appeal the ruling to the U. S. Supreme court.

Judge Charles E. Clark, the dissenting judge, held that the House Committee had achieved "obvious and direct abridgement of the right freely to speak and express one's opinions."

Replying to the defendant's claim that the constitution forbade a Congressional Committee to investigate propaganda activities, the majority decision declared: "One of the very purposes of the constitution is to protect the country against danger from within as well as from without. One need only recall the activities of the so-called Fifth Column in various countries during the recent war to realize that the United States should be alert to discover and deal with the seeds of revolution within itself."

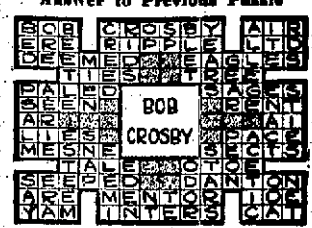

Seaway Is Favored

A resolution favoring the Great Lakes-St. Lawrence Seaway and power development which had been adopted by the Lions' Club of Watertown, was read at the Tuesday meeting of the Kingston Lions Club and referred to Attorney Harry Gold, who heads the club's committee on civic affairs. A report will be given later by the local committee on the proposal.

Two Trucks in Collision At Broadway and Henry

Two commercial trucks, one operated by Joseph Lamphere, 100 O'Neil street, and the other by Marino Germano, 8 Mt. Carmel Place, Poughkeepsie, were involved in a slight accident at 4:20 p. m., Tuesday, at the intersection of Broadway and Henry street, the police reported today.

The accident occurred, the police said, when Germano, in turning right into Henry street, hooked his right rear fender on the bumper of the other vehicle. Lamphere's truck, owned by Byrne Brothers, 635 Broadway, received no damage. Germano's vehicle, owned by his brother, Anthony Germano of the same address, received damage to the right rear fender.

The accident was reported by Officer James Burns. Officers Elbert Soper and Guernsey Elbert investigated. Both parties were insured, the police report revealed.

Says Expenses Greater

New York, Dec. 10 (AP)—An official of the Westchester Lighting Company testified before the Public Service Commission yesterday that the utility's gas production expenses had increased sharply over previous 1947 estimates as

ing allowances to all workers, retroactive to November 25, and increased family allowances for larger families.

3. No pay for days lost on strike. The strikers had demanded a 25 per cent cost of living bonus and pay for days on strike.

4. Formulation of a new overall economic policy to balance prices and salaries until next June.

5. No penalties for strikers, except those who violated the new law against sabotage and obstruction of non-strikers. The labor leaders had demanded release of all those arrested during the strikes.

Railroad service was all but normal today and Parisians were happy to see garbage trucks rolling again, but in the Lille region some miners, whose walkout cost France an estimated 2,600,000 tons of coal, still were refusing to go back to work.

Scott Resigns His Job in Savannah

Savannah, Ga., Dec. 10 (AP)—The Rev. Lewis L. Scott, attorney and Baptist pastor, has resigned from his job as the first negro deputy sheriff of Chatham Superior Court.

Scott resigned yesterday eight days after his appointment as deputy and bailiff to assist the solicitor general, and five days after he published a newspaper article describing his new duties. Judge David S. Atkinson disclosed Scott's resignation, effective January 1. He did not give the reason but it was known that Scott had been in conference with court officials after his article appeared.

Fuel Oil Prices Are Highest in Kingston

A survey of fuel oil prices December 4 in the Hudson Valley shows Kingston consumers paying more than is charged in other cities, including New York and Albany, according to today's issue of the Hudson Valley Labor News.

The Labor News article says "one of the world's largest" companies was queried. Prices per gallon were quoted as follows:

New York	10.2
Albany	10.8
Poughkeepsie	10.9
Hudson	11.0
Catskill	11.1
Newburgh	11.2
Kingston	11.3

appeared Thursday in the Savannah Courier, a negro paper.

The article said he would not "pack a gun" or "patrol around the courtroom providing seats for the aged and bringing in a pitcher of water for over-tired attorneys."

He would be mainly concerned, he wrote, with assisting in crime prosecution and defending "with equal vigor the rights and privileges of all the citizens of the county."

He asked for cooperation in a "great program of race building" and invited visitors to his office from 9 to 10 a. m. or otherwise by appointment.

During World War 2 the United States produced about 50 billion eggs annually.

Town Clerks Will Help Distribute Applications

Albany, N. Y., Dec. 10 (AP)—New York's 932 town clerks will help distribute application forms for the \$400,000,000 state veterans' bonus.

Bonus Director Leo V. Lanning said today the town clerks would cooperate to make the blanks "readily available to veterans in the small, rural and suburban communities."

The applications will be available beginning December 31. They cannot be filed legally before January 1, effective date of the bonus amendment to the constitution adopted by the electorate November 4.

County, city and village clerks also will distribute the blanks.
